

# Eighth Grade Science/Team Jedi

WELCOME TO YOUR EIGHTH GRADE YEAR AT URBANA MIDDLE SCHOOL! I AM LOOKING FORWARD TO GETTING TO KNOW EACH AND EVERY ONE OF YOU, AS WELL AS YOUR PARENTS/GUARDIANS.

PLEASE TAKE A FEW MINUTES AND READ OVER THE FOLLOWING CLASSROOM RULES AND PROCEDURES WITH YOUR STUDENT TO ENSURE THAT WE ALL HAVE A SUCCESSFUL AND ENJOYABLE YEAR!

## Miss Antonakos's Classroom Rules and Procedures

1. Students must be in their seats and ready for class to begin at the start of class when the second bell rings. Immediately after being seated, the students are expected to write the evening's homework in their agendas and begin the Bellwork (Question of the Day).
2. Students must keep hands, feet, and all objects to themselves. Area around their table must be kept clean at all times. Before leaving the classroom, the room must be clean. Any destruction of school property will not be permitted.
3. Students must respect their teacher and fellow students at all times. Disobeying this rule will result in an automatic office referral.
4. Students must bring all materials to class everyday (unless otherwise stated by the teacher, not peers). A writing utensil is necessary everyday.
5. Students must do their own work. This applies to classwork, homework, and tests. A warning will be given if caught cheating the first time. Further infractions will result in an automatic zero for that assignment or test and parents will be notified.
6. All students will have time to participate/share in class without the need to interrupt their teacher or peers. When a student wishes to share something with the class, they should quietly raise their hand. (Swinging a hand from side to side or continually shouting out will hinder the opportunity to share with the class.) Learning and participation are of the utmost importance, therefore, continuous class disruptions will result in disciplinary action.
7. Students must be responsible for any missed work. Students will have the same number of days as they were absent to turn in their missing work as long as the absence is excused. (However, if a parent requests work ahead of time, the work is

expected to be completed, or at least attempted upon return). Missed work must be retrieved from the absent bin. Notes must be copied from a fellow student. Make-up tests must be scheduled with the teacher within three (3) days of the return date.

8. Students must establish and maintain organizational skills by keeping a science notebook and folder or binder without any other subject matter in it.
9. All rules outlined in the Urbana Student Planner will be enforced.

### Disciplinary steps to be taken if needed:

1st offense	verbal warning
2nd offense	Removal from class for an individual conference
3rd offense	Referral
4th offense	After school detention

\*Further consequences to be determined by the administration.
