Vocabulary Poster

Using the following terms, make a poster that demonstrates each vocabulary word. Your poster should include a drawing that shows you understand the vocabulary, the word and the definition.

Organism	Herbivore	Predator
Ecosystem	Omnivore	Prey
Biotic Factor	Carnivore	Sun
Abiotic Factor	Decomposer	Consumer
Food Chain	Habitat	Community
Food Web	Niche	
Producer	Population	

The poster should be drawn with pencil, colored with colored pencils (NOT markers) and fully filled in. I would like to put your posters in the hallway to show them off!! Posters are due next Friday, September 23.

Food Webs Poster Assignment Rubric

1 Almost no effort	**2** Needs Improvement	**3** Satisfactory	**4** Great	**5** Excellent Work (Possible 75 Points)
